## Pilgrimage Highlights

*A pilgrimage through the heart of Italy (day-to-day itinerary will be provided at a later stage)*

**Umbria (and environs) has an important array of pilgrimage sites and cultural treasures.** Our itinerary focuses on locations that are particularly meaningful and more easily accessible for a group of this kind—intentionally avoiding some of the steeper, hillier towns. **However, this itinerary is not wheelchair/electric scooter accessible** and does involve a good amount of walking.

### Assisi

Here we will venerate the holy place associated with St. Francis and St. Clare:

- Visit the tombs of the saints of Assisi in the **Basilicas of St. Francis and St. Clare**, home to world-renowned sacred art.
- Mass at the tomb of **Saint Carlo Acutis**, the teenage saint who has become such an inspiration for young people around the world.
- Eight centuries ago, St Francis died at the **Porziuncola**, the humble chapel where the Franciscan movement began - located inside the **Basilica of St. Mary of the Angels**.

### Cascia

Discover the life and legacy of **St. Rita**, a woman of deep faith who journeyed from wife and mother to Augustinian nun. Her **shrine and monastery** remain one of central Italy's most visited pilgrimage sites.

### Spoletto

This ancient town has extensive pre-Christian and medieval remains:

- The central square has an ancient Roman road and arch.
- Mass in the magnificent **Cathedral of Spoleto**, adorned with frescoes by Renaissance master **Filippo Lippi**.

### Orvieto

The beautiful Duomo houses the Eucharistic miracle that prompted the introduction of the feast of Corpus Christi.

### Greccio

St Francis began the tradition of the Christmas crib in this Umbrian hamlet

### Rome by Night

The most effective way to get an overview of the Eternal City:

- A panoramic night tour featuring the **Colosseum**, **Vatican City**, **St. Peter's Basilica**, **Tiber Island**, the **Palatine** and **Aventine Hills**, the historic **Jewish Ghetto**, **St. Mary Major**, **St. John Lateran**, the **Holy Stairs**, and more.

### St. Peter's Basilica

Built over the bones of St Peter, this awe-inspiring structure holds the tombs of **St. John Paul II**, **Pope Leo the Great** and other popes. Masterpieces of art include the *Pietà* by Michelangelo.
